Justification Statement

When making your nomination please provide a justification statement or brief summary of why this individual or organization is deserving of the chosen award. Please describe how the nominee meets the following award criteria:

LEADERSHIP AWARD

The Foundation may grant the Leadership Award to recognize significant lifetime contributions and service to the field of regulatory science and public health.

1. The recipient shall be an individual whose lifetime achievements in regulatory science and public health have provided national leadership in the field.
2. In selecting the recipient, primary consideration shall be given to individuals who contributed extensively directly or indirectly to:
 - a. Advancement in regulatory science delivery practices and structure
 - b. Awareness of the field of regulatory science on a national scale
 - c. Alter the course of the industry and/or introduced an influential, innovative approach within the field through such avenues as drug development and approval

HEALTHCARE INNOVATION AWARD

The Foundation may grant the Healthcare Innovation Award to an individual or organization that has significantly influenced development of regulatory policy to improve public health through policy, advocacy, academia, or social initiatives.

1. The person or organization shall have made or be making truly outstanding contributions to advancing regulatory science through an *initiative* to improve the health status of individuals, targeted groups, communities, or the nation.

*** Nominees will include individuals or organizations from government, academia, advocacy, or industry.**

Suggested language:

- *Demonstrated achievements of the nominee and the work for which he/she is being nominated;*
- *Demonstrated evidence of innovation, initiative, or obstacles which the nominee may have had to overcome to achieve their outcomes*

(Please limit response to 1000 words)
