Justification Statement

When making your nomination please provide a justification statement or brief summary of why this individual or organization is deserving of the chosen award. Please describe how the nominee meets the following award criteria:

LEADERSHIP AWARD

The Foundation may grant the Leadership Award to an individual to recognize significant lifetime contributions and service to the field of regulatory science and public health.

1. The recipient shall be an individual whose lifetime contributions in regulatory science and public health have provided national leadership in the field.
2. In selecting the recipient, primary consideration shall be given to individuals who contributed extensively directly or indirectly to:
 - a. Advancement in principles and/or practice of regulatory science
 - b. Awareness of the field of regulatory science on a national scale
 - c. Improve the process for development and/or review of FDA-regulated products

INNOVATION AWARD

The Foundation may grant the Innovation Award to an individual or organization that has made particularly innovative contributions to regulatory issues science or policy to improve public health.

1. The person or organization shall have made or be making truly outstanding contributions to advancing regulatory science through an *initiative* to improve the health status of individuals, targeted groups, communities, or the nation.

*** Nominees may include individuals or organizations from government, academia, advocacy, or industry.**

Suggested language:

- *Demonstrated achievements of the nominee and the work for which he/she is being nominated;*
- *Demonstrated evidence of innovation, initiative, or obstacles which the nominee may have had to overcome to achieve their outcomes*
